**LIVE UNITED**

## THE DIFFERENCE YOUR DOLLAR MAKES IN A YEAR

**\$5** For the cost of one fast food meal a week, your gift to United Way's **LIVE UNITED** Fund could provide parenting manuals and phone support from the Parent HelpLine for over 400 parents and caregivers.

**\$10** For the same cost as ordering a small pizza a week, the **LIVE UNITED** Fund could provide new underwear, shoes and warm clothing for a disadvantaged student.

**\$15** For the same cost as downloading the latest blockbuster movie, your gift to the **LIVE UNITED** Fund could help provide three homeless youth a safe place to sleep for two weeks.

**\$20** For less than what it costs to buy popcorn and soda at the movies, a weekly donation to the **LIVE UNITED** Fund could provide two months of home-delivered meals and a daily visit for a housebound senior or disabled person.

**\$40** For the cost of a nice dinner for two each week, your gift to the **LIVE UNITED** Fund can make it possible for children from homes with developmentally disabled parents to have specialized preschool so they can enter school learning at their age level.

## YOU'VE CHOSEN AN EMPLOYER WHO CARES!

You've just become part of an organization that helps others by contributing to United Way of Lane County. As you begin your new job, we hope you'll join us in these efforts by becoming a United Way donor, too.

## WHY GIVE TO UNITED WAY?

At United Way, we work in collaboration with our community partners to eliminate the root causes of serious problems that can devastate lives and threaten the welfare of Lane County. What we do produces real and meaningful change in the lives of thousands of men, women and children. And, as more and more lives are changed, our work makes a measurable impact in our community.

United Way is working on advancing the common good by focusing on education, income and health. These are the building blocks for a good life—a quality education that leads to a stable job, enough income to support a family through retirement and good health.

Our goal is to create long-lasting change that prevents problems from happening in the first place. We invite you to be part of this change. Together, united, we can inspire hope and create opportunities for a better tomorrow. That's what it means to **LIVE UNITED**.
